Subject: TODAY! VERY IMPORTANT / No more paper GED Ready® Test vouchers!

Importance: High

All,

Starting **TODAY, November 13th**, please do not use the paper GED Ready® Test Vouchers assigned to your program. Beginning today, only use the new KAERS GED Ready® Test functionality).

To view a recording of last week's webinar about this, go here:

<http://kya.ky.gov/educators/documents/KAERSGEDreadyTestWebinar.mp4>

We have piloted this new functionality with three local providers and have received positive feedback.

It is very important that none of the paper GED Ready® Test vouchers are used after November 12th because we will be working with GEDTS® to identify these vouchers and put them into the KAERS system. Therefore, if a paper GED Ready® Test voucher is used after the date GEDTS® runs the report, it will be invalid when it is used through the KAERS system.

Thank you for your attentiveness to this situation!
